Sub: Absorption of Junior Engineers(C) engaged on contract basis in regular Establishment against regular vacant post.

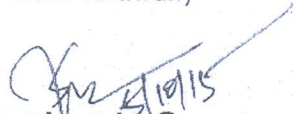

Sir,

I am directed to invite a reference to your Letter No.20517 Dt.8.6.15 on the above noted subject and to say that all cases for absorption of Junior Engineers(C) engaged on contract basis in regular establishment against regular post shall be made as per para-1(2) of General Administration Department Resolution No.4591/Gen dt.15.02.2014.

It is further stated that on the date of satisfactory completion of six years of contractual service or from the date of publication of G.A. Department Resolution dt.15.02.2014 whichever is later, they shall be deemed to have been regularly appointed. A formal order of regular appointment shall be issued by the appointing authority.

It is therefore intimated that regularisation will be made w.e.f.15.02.2014 and not prior to this even though six years of continuous service has been completed earlier. Accordingly, necessary steps with regard to regularisation in service may please be taken at your end being the appointing authority in case of contractual Junior Engineers.

Yours faithfully

Under Secretary to Government
